Write a brief description about yourself, your research interests, and your current position. For more information, visit your personal [webpage](#).

## SCIENTIFIC PUBLICATIONS

*Journal Ranked Q1 on Scimago* — John Smith and Jane Doe. A novel approach to compiler optimization. *Journal of Programming Languages*, 42(3):100–125, 2024 — [bib](#) [pdf](#) [DOI](#)

*Journal Ranked Q2 on Scimago* — Alice Jones and John Smith. Type systems for modern languages. *Software: Practice and Experience*, 53(8):200–230, 2023 — [bib](#) [pdf](#) [DOI](#)

## PREPRINTS

Jane Doe and Bob Brown. Static analysis of rust programs. *arXiv preprint arXiv:2401.00000*, 2024 — [arXiv](#)

Bob Brown and Jane Doe. Parser generators: A comparative study. *arXiv preprint arXiv:2301.00000*, 2023 — [arXiv](#)

## EDUCATION

**2024–Present** PhD in Computer Science at University Name

*Thesis: Your Thesis Title Here*

**2022–2024** MSc in Computer Science at University Name (110/110 *cum laude*, Supervisor, Date)

*Thesis: Your Thesis Title Here*

**2019–2022** BSc in Computer Science at University Name (Grade)

**2014–2019** High School Diploma at School Name

## WORK EXPERIENCE

**2024–Present** Research Assistant at Lab Name, University

*Working on project description*

**2022–2024** Teaching Assistant at University

*Course name and responsibilities*

**2021–2022** Intern at Company Name

*Description of internship work*

## TECHNICAL SKILLS

**Languages** Rust, C/C++, Python, Go, Java, TypeScript, SQL

**Tools &** Git, Docker, Kubernetes, AWS, LaTeX, Linux

**Frameworks**

**Area of Expertise** Your research areas, technical specializations

## LANGUAGES

**Italian** Mother tongue

**English** Level CEFR C1 (Advanced)

**French** Level CEFR B1 (Intermediate)
